

Dear Parent/Guardian,

As you are aware your child is regularly involved in the schools PSHE/Citizenship curriculum. This is the education the Government includes on personal, social and health related issues.

As part of our School programme we are conducting some classes on the issue of violence. As part of these sessions your child will be involved in watching a DVD that shows part of a reconstruction of the murder of a teenage boy. You may be familiar with the event concerning Lloyd Fouracre.

The video mainly addresses events following Lloyd's tragic murder but does include some scenes of a violent and sensitive nature. Because of this we are requesting your consent for your child to view this DVD in class. If you are concerned please do not hesitate to contact the school for further information.

Yours Sincerely

PSHE/Citizenship Coordinator
